

Milk Couvertures

Chocolat Frey's milk couvertures are crafted in Switzerland with high-quality ingredients and traditional expertise. Their smooth texture and balanced sweetness make them versatile for a wide range of applications. From creamy dairy notes to subtle caramel tones, each variety is designed to ensure reliable processing and consistent results – ideal for professionals seeking authentic Swiss quality.

Certified options are also available.

Article name	Viscosity	Cocoa %	Milk %	Saccharose %	Nut content %	Total fat %
