

Chocolate Powder

Chocolat Frey's chocolate powders are produced in Switzerland and are ideal for professional and industrial use. They are available in darker and milder varieties, providing your products with a rich, authentic chocolate flavour of consistently high quality. Especially in dairy products, they enhance the flavour profile beyond what pure cocoa can achieve.

Label-certified options are also available.

Article name	Cocoa %	Saccharose %	Total fat %	Additives
Chocolate Powder 59	57.3	40.7	18.1	
Chocolate Powder 45 A	44.2	54.4	18.1	Flavour
Chocolate Powder 45	44.2	54.5	18.1	
Chocolate Powder 63	44.2	54.4	18.1
